Can I get the font of this logo? A: The look of the Ryanair logo is a result of a collaboration between the Ryanair Group and the A&D Design. Ryanair Group is the parent company of the Ryanair group of airlines, which operate under the Ryanair brand. A&D Design is the London-based agency that was responsible for the look and feel of the Ryanair brand between 2008 and 2010. Ryanair chose A&D Design because they thought they would have a good idea of what would work for them, and they have done well from it so far, so Ryanair didn't want to change the look. The logo designed by A&D Design is one of the few logos that includes word in the design. A&D Design stated that the font that they used for the Ryanair logo was not one of the 30 or so they used when creating the logo. The sequence of the equine gene encoding lactate dehydrogenase-B (LDHB) during lactation: the stage following the onset of lactation is marked by an increase in activity of the LDHB4 isozyme, one of the 5-hydroxyindoleacetic acid (5-HIAA)-inducible lactate dehydrogenases. The sequence of LDHB, the gene encoding lactate dehydrogenase-B (LDHB), was investigated during the course of equine lactation. Two cDNA clones with a 5'-untranslated region and an open reading frame of 301 bp encoding a protein of a molecular mass of 33,346 Da were isolated. The cDNA sequence showed a 93% and 93% identity with LDHB1 and LDHB3 from human and rat respectively, whereas only 75% identity was found with the cDNA of LDHB2. A total of 60 tandem repeats of the LDHB sequence were found in a region within f678ea9f9e
