

---

Every year, those who have been left traumatized by the attacks of September 11th are forced to relive the fear as more and more movies about the tragic event are released. Here's a list of some of the most intense films that depict the events that took place on that fateful day in New York City. Movies like American Sniper, Thirteen Days, World Trade Center, Flight 93 and United 93 remind us about just how devastating 9/11 was. The psychological effect it has on many people is reawakened every time they watch these movies. It may seem like Hollywood is profiting off this tragedy but it could be argued that these movies serve as a reminder to not let history repeat itself. Below is a list of some of the most violent movies that depict the events that occurred on 9/11:

The following movies were released before the attacks on September 11th, though they may be relevant to the tragic events that occurred afterwards.

The following movies were released before September 11th, but came out after the attacks on 9/11. They may be relevant to those who lived through or experienced these events.

The following movies and TV episodes (including The World Trade Center and Rendition) were released after September 11th but before The Day Of Terror was released. They may be relevant to those who lived through or experienced these events.

The following TV episodes (including The Day of Terror) were released, or will be released after September 11th. They may be relevant to those who lived through or experienced these events.

The following movies were released before September 11th, but came out after the attacks on 9/11. They may be relevant to those who lived through or experienced these events. Some of them have been criticized for this type of portrayal, though the actor's viewpoints have been stated on camera.
